

## **Emerging Arts Facilitator Role - Above & Beyond, Penrhys**

**National Dance Company Wales seeks to contract** an early career Emerging Arts Facilitator to work alongside the Lead Artists of 'Above & Beyond', a long-term project delivered in Penrhys (Rhondda Cynon Taf). The role will be based at Penrhys, Rhondda Cynon Taf.

---

The project's mission is to transform the community through cultural activity to achieve positive social change and for the people of Penrhys to amplify voices and look towards a positive future.

*Above & Beyond* is an evolving community led project which brings together the community of Penrhys with partners, collaborators, and creatives. Partners include Penrhys Primary School, Trivallis Housing Association, Rhondda Cynon Taff Council Arts Service, Ty Cerdd, Valleys Kids and Llanfair United Church

The project, now in its fifth year, has achieved great impact within the community and all involved continue to have aspirations, pride and hope for Penrhys to become an epicentre for unique artistic expression, community cohesion and positive social change.

The programme has developed and evolved in direct response to learning, experiences and community engagement. The artistic programme over the five years has focused on Parkour Dance primarily, alongside drama and beatboxing activity. This unique blend has been particularly successful in engaging young people. Weekly workshops have seen an increase in curiosity, focus and commitment from the young residents of Penrhys. The programme of activity also includes movement sessions for Mums, babes and tots, after school club

activities, and healthy movement sessions for adults.

---

The role is suitable to a young person from the RCT area who is at an early stage in their career and keen to develop their early skills in facilitating arts-based workshops. We are open to meeting candidates who have backgrounds in drama, film making, photography, design, art, music, singing, dance, writing, spoken word or multi-artforms.

The candidate will be supported and mentored by the projects Lead Artists, Sandra Harnisch-Lacey and Kyle Stead, who will develop your confidence and delivery skills.

Sandra and Kyle have been working in the community of Penrhys for several years and have developed a specific working methodology based on co-production and reflective and reflexive practice.

The programme will require the candidate to work with all ages but particularly young people and so it will be necessary for the candidate to undertake an Enhanced DBS check. The candidate will need to be adaptable, able to cope with uncertainty, and be able to respond to challenging situations.

The total fee for this activity is £4,500 and it is expected that you will work approximately 30 days (at £150 per day) during the period 1 October 2024 to 1 July 2025.

We are particularly interested in hearing from people who live or work in the Penrhys or wider RCT area.

We recognise the positive values of diversity. We promote equality and challenge discrimination, and because we want to reflect the society in which we work and love, we particularly welcome applications from people who are d/Deaf and disabled and of the Global Majority.
